

C-CLAMP ADAPTER

ACCESSORY FOR DWX-52D

Expand the functionality of your dry milling machine with a 90-degree milling range expansion! This milling range allows for milling of larger full-arch cases and greater esthetic overall.

KEY FEATURES

- 90-degree milling range to expand the function of the DWX-52D for improved milling range & design
- Offset does not interfere with new adapter allowing the milling of large span cases like All-on-4
